St John's would like an organisation like ours to be the umbrella insurance cover for the event. Great idea, but doesn't really align with the athletic image of RTC and the workload involved could be significant for not much return.

ACTION: Ruth to reply to St John to say we do not want to be involved.

Andrew has followed up new quotes from Easy shades, Extreme marquees, Big Top Shades for tear drop banner and shade. Summary provided by Andrew. Attached to minutes.

Riverland Rose Festival – October.

Ruth has been informed that RTC can organise and fundraise through a fun run. Suggesting a 5 and 10km option.

ACTION: Put Rose festival fun run on agenda for future meeting to organise details in the future.

Website

Andrew Haigh has progressed it to a draft version, but is struggling with time and technical issues.

Members would like to see the website up and running so that they can view tips, programs, updates, events etc. Would be beneficial to keep members interested.

ACTION: Ruth to discuss with Andrew Haigh the possibility of having the website finished by the end of April.

9. Come n tri / Training Days

Renmark come n try for 8th March.

Was a good turn out, but hard work with only three RTC members (Nadia, Andrew Coombs, Ruth) to organise and a few issues with road closures, made it difficult to manage on the day.

Training Days

Plan for duathlons through winter (plan at next meeting in April). More club training days, less come n tri's due to the workload and members turn out.

ACTION: Sarah to discuss training program with Craig Wilson to incorporate with training days.

Renmark Triathlon

ACTION: Mike will bring a marquee for RTC with balloons.

ACTION: Sarah to send out an email to let members know we will have the marquee visitor centre end (in front of Renmark Hotel).

ACTION: Sarah to register the RTC team tomorrow for Renmark Triathlon.

10. Any other business

Letter of support requested from RTC for Renmark swimming pool, who are putting in for a grant for a building that will have more facilities.

ACTION: Nadia will draft a letter in support for Renmark swimming pool grant proposal.

Next meeting: Wednesday 29th April 2015.

Meeting closed: 8.35 pm.
